## APAHA PREAMBLE

*We, as Professional and Amateur Horsemen of the Arabian Horse Association, pledge to assume a positive role as leaders in the Arabian horse community. While achieving the goals of promoting, showing, and caring for the horse, we shall protect the health, image, and welfare of the breed.*

*Therefore, we set forth the following standards:*

### HORSEMEN'S STANDARDS OF CONDUCT

**We shall** comply with and actively encourage all Professional and Amateur Horsemen to adhere to all rules and regulations of AHA, USEF, CAHR, and EC.

**We shall** instill confidence, trust, and mutual respect in our clients, fellow exhibitors, and the public by a commitment to ethical practice and avoidance of any action conducive to discrediting the Arabian horse, AHA, or our fellow horsemen.

**We shall** ensure that the welfare of the Arabian horse is paramount and that every Arabian horse be treated humanely and with dignity, respect, and compassion.

**As Horsemen** we agree that it is our obligation, not only to the horse, but to each other, to have a reciprocal relationship wherein we are compelled to comment to our peers on their actions as well as be receptive of comments on our actions, if those actions might be perceived or interpreted as abusive or inappropriate.

**There should** be no malicious force during training. Good horsemanship teaches a horse to respond to the aids with confidence. Abusive practices are those that inflict injury or result in intimidation and fear. This may include jerking, spurring, or whipping when employed in a manner that increases a horse's fear, confusion, or distress.

**While most** types of tack and training methods are not themselves abusive, we understand

that anything used wrongly, overused, or over done can prove to be abusive or perceived to be abusive by onlookers.

**The duration** of training sessions should take into account climate conditions, intensity of work, footing and the condition of each horse to ensure there is no undue stress.

**We shall** conduct all business affairs with integrity, sincerity, and accuracy in an open and forthright manner.

**We shall** act with integrity in financial dealings with clients, professionals, and the public. We shall employ a policy of full disclosure to our horse's owners, as well as potential buyers, about all facts and knowledge regarding a horse they own or are considering purchasing.

**Horsemen will** never perform, condone, or allow surgical alteration or procedure on an Arabian horse unless professionally prescribed by a licensed veterinarian, and then, only for the survival or threatened health of an Arabian or Half-Arabian horse. This includes the altering of the natural carriage of the tail, which is one of our breed standards and characteristics.

**Horsemen will not administer to any horse engaged in competition drugs or medications that give an unfair competitive advantage or serve no required therapeutic purpose.**

All entries are accepted with the understanding that the Arabian Horse Association and State Fair Park, World Equestrian Center, and Tulsa Expo Square, their officers, officials, and employees will not be held responsible for any loss, damage, or injury to any exhibitor, his or her agent or employee, or to any horse or any article of any kind. The exhibitor will be responsible for any loss, damage, or injury to any person, animal, or property occasioned by him/her, his/her agents or employees, or by any animal owned or exhibited by him/her, and shall indemnify the Arabian Horse Association and State Fair Park, World Equestrian Center, Tulsa Expo Square against any and all loss, damages and liability thus occasioned, including, but not limited to any and all legal costs, including attorney fees, which may be incurred as a result. The submission of any official entry form to the show secretary shall constitute an acceptance of these provisions by each person or agent signing the entry form.

**VIOLATIONS** Please refer to GR 48

### GR 2 ADMISSION TO THE RING & CONTROLLED PADDOCK PROCEDURE

No one will be permitted to enter the ring except class participants, judges, their assistants, and show officials. Attendants and grooms may enter the ring only when summoned by judges' order.

# 2025 AHA NATIONALS

Attendants and grooms who enter the ring shall be considered a part of the showing team and must be neatly dressed in proper show attire, wearing unmarked dusters at all times when they are in the ring.

**Only standard grooming equipment will be allowed in this area. There will be no whips, noisemakers, or other such equipment, devices, or objects in the in-gate area that might disturb or create a hazard to horses or handlers except a show whip carried properly by a handler.**

## 1. FOR PERFORMANCE CLASSES

At the discretion of Show Management, the order of entry into the ring may be predetermined for any class. A maximum of two grooms and one handler per horse will be allowed at the in-gate area.

## 2. FOR IN-HAND CLASSES

In all breeding classes, the order of go will be determined and posted by the horse's birth date from oldest to youngest. Entries will enter in the order as posted and will be inspected for signs of abuse by the Show Steward immediately prior to entrance into the ring for judging. The manner of inspection will be at the discretion of Show Management.

**Performance Halter Order of go will be at the discretion of competition management and may be on open cards.**

## 3. CONTROLLED Paddock

**Please refer to Youth and Mid-Summer for additional rules.** The one specified person assisting with the entrance of in-hand horses into the ring will be allowed to use only the same length whip and appendages as are currently allowed for the individual handling the horse. Rule reference AR114.2: Whips are to be no longer than 6' including snapper/lash/appendage. Small appendages (no more than 12 inches in length) of ribbon, plastic, etc. are permitted. The designated person **will not hit or use any other objects, such as trash cans, walls, etc., to make any noise.** In addition, **effective immediately,** the use of plastic or paper bags of any type or size is prohibited in assisting with entrance(s) into the arena. It is the responsibility of Show Management,

along with the USEF Steward(s) to ensure the "designated person" understands this policy and their role. Should this rule/policy be violated, a warning card may be issued to both the handler and the designated person or groom who initiates this violation.

### GR 4 AMATEUR OWNER

**Please refer to USEF GR 142 (Owner Classes) and GR 123 (Family)**

An individual's age on **December 1** will be maintained throughout the entire competition year.

Leased horses are not eligible. (Contracts of Sale

# 2025 AHA NATIONALS

or Bill of Sale will not be accepted in Owner Classes.)

It is unethical to transfer, assist, or facilitate the transfer of a horse with the intent to circumvent the purpose of the rules regarding ownership of horses shown in the amateur owner and/or junior owner classes. It is also unethical for any AHA member to not provide information relating to the transfer in question that is requested by the Probable Cause Panel or the Ethical Practice Review Board requests.

In determining whether the transfer was unethical, the EPRB may consider, among others, the following:

- ➔ The horse returned to the previous owner's name within a year of the original transfer.
- ➔ The horse is being transferred at less than fair market value (the owner will provide proof of the sales amount).
- ➔ The prize money went to a person other than the owner or family member.
- ➔ The owner or family member did not pay the expenses relating to the upkeep and showing of the horse.

## NON-RELATED CO-OWNER

Please refer to USEF AR 110.4.e for complete rules.

Two distinct individuals who are not related may co-owner a horse and show in Owner classes except that no family member of a professional may enter into this relationship.

The ownership must be “and” NOT “or”.

Both distinct non-family owners must be individuals, no Farm or Corporation co-owned horses are eligible.

Both distinct non-family owners must be members of the USEF or Equestrian Canada and hold valid amateur cards or be juniors or a combination of amateur and junior.

This does not extend to the family of these distinct non-family owners.

A horse that is co-owned by two distinct non-family members cannot be shown in a Maturity and Jackpot classes at any AHA National Championship.

An individual member may enter into only two distinct co-owner relationships and compete with these arrangements in Junior Owner and Amateur Owner classes at USEF/EC approved shows.

## GR 5 AWARDS

Top Ten Awards will be made regardless of the number of competing entries. However, only awards made to the top 50% (rounded up not to exceed 10 awards) will receive AHA Horse Achievement Award Points, Amateur Achievement Award Points, High Point Horse Achievement Award points, and High Point Amateur Achievement Award points.

Types of awards are as follows: trophy and championship ribbon to the National Champion; trophy and reserve championship ribbon to the Reserve National Champion; plaques and ribbons for the remainder of the Top Ten for Youth, Mid Summer, Sport Horse, and U.S. Nationals Champion and Reserve Champion will NOT receive Top Ten Plaques. Champion and Reserve Champion may purchase a plaque if they wish to do so in the Awards Room.

All horses qualifying for the semi-finals will receive a ribbon from the Preliminary sections (I, II, III). In addition, all horses in the A/B and SF Sections advancing to the SF/F or FNL will be awarded section ribbons.

**All awards not claimed by the close of the show will be forfeited with no exceptions. No awards will be mailed. If you are not at the show, please make arrangements for someone to pick up your awards.**

Refer to GR 17 for Duplicate trophies.

## AWARDS CEREMONY

The number of people other than authorized personnel for award photographs for the Championship and Reserve Championship awards at all the Nationals Shows will be determined by each National Show Commission.

## AWARDS/SPECIAL

The National Show Commissions will determine if individual prizes and awards will be presented at the National Shows. AHA is not liable for payment of donated prize money paid by an outside organization. Exhibitors are instructed to contact the individual donors to complete any necessary paperwork.

A class is composed of all its sections, including Preliminary (I, II, III), Eliminations (A, B, C), Semi-Finals/ Finals (SF/F), Semi-Finals -1st Go (SF), and Finals-2nd/last Go (FNL). Working Hunter Championships are based on points earned from 3 classes (2 over fence classes and 1 under saddle class). Elimination or disqualification from any class does not eliminate a place in the Championship.

Many National classes are divided into sections depending on the number of entries. Please check with the Show Office regarding if a class has sections and which section you have been assigned. If you miss YOUR SECTION, you have missed YOUR CLASS and will not be allowed to advance further. This policy will be strictly enforced.

## 1. ADDING CLASSES

**Additional class entries for pre entered horses cannot be done online and must be submitted on the Official Entry Form for each show. Please** check the box indicating this is an added class for a horse already entered.

## 2. CANCELLATION OF CLASSES

The AHA Convention has established a minimum of three (3) entries for all National classes. The Show Commissions may cancel any class with fewer than three entries.

## 3. CLASS CALLS

- The two-minute limit for gate closing will be strictly enforced. The gate will close two minutes after the first horse enters the ring or in cases with large classes taking more than two minutes, after the entry of the final horse in a continuous string of horses.
- Due to unforeseeable problems with any mechanical device, the public address system and paddock calls over that system must be considered a courtesy.** The exhibitor is responsible for ensuring **that his/her horse is at the gate at the prescribed time. Every effort will be made to maintain a working public address system to carry class calls; however, no protest will be upheld, nor will any section be changed based on public address malfunction alone.**

## 4. CLASS PROCEDURES

- Riders in Reining, Trail, Work-ing Cow, Cutting, Dressage, Working Hunter, Jumper, Sport Horse In-Hand, Ranch Riding, and Obstacle Driving classes may show more than one horse in the class.
- In all other classes including Performance Halter, a horse may be shown in a class (including sections) by only one rider and only one horse per rider.

## 5. CLASS SCRATCHES & NO SHOWS

PLEASE refer to the fee chart for each show for late scratch fees.

**NO SCRATCHES WILL BE ACCEPTED BY PHONE.**

**PLEASE BE CONSIDERATE OF YOUR FELLOW EXHIBITORS AND SCRATCH AS SOON AS POSSIBLE.**

Scratching as early as possible enables the show commission to make a timely decision on cancelling sections. Scratches must be recorded with the Show

Secretary to be considered official and be in the show office by;

**8 PM > the night prior for Morning classes**

**11 AM > for Afternoon classes**

**4 PM > for Evening classes**

Changes can be made on the AHA app, website or in person at the show office. Exhibitors who scratch at the gate MUST still submit an official form. **Scratches not filed by end of the session the class was held will result failure to scratch fee or the no show fee.** Refer to the Fee Chart for each show.

### 6. CLASS SECTIONS

If you have multiple classes on the same day, it is strongly advised to look closely at the schedule and request a section that will work best for your situation. Many sections have been split up in order to aid in conflicts.

#### a. SECTION, GO FORWARD & DRAW REQUESTS

Exhibitors with possible ring conflicts, when doing their entries online or using the Official Entry Form, should select their desired section.

**Only one section at a time can be selected online or on your entry form.**

**Once at the show, you can request sections for both prelims (I, II, III) and Eliminations (A/B) via the AHA app, website, or in person at the show office.**

Sections must be requested up to **NOON two days before the section runs**. For example, if sections are to run on Wednesday, a request may be submitted up to noon on Monday. Sections will be posted the day before the sectioned classes.

If a section is not specified, random entry selection will be used for assigning sections.

If you miss **YOUR SECTION**, you have missed **YOUR CLASS** and will not be allowed to advance further. This policy will be strictly enforced.

#### b. ONCE A CLASS HAS BEEN SECTIONED OR DRAW POSTED

Requests for section or working order changes must be handled in the show office as follows:

- i. If an exhibitor has a conflict between scheduled classes, the exhibitor must request the change in section or working order **at least two (2) sessions** before the earliest class. This change must be requested on the official Section Change Form and be filed with the Show Secretary in the Show Office.
- ii. Show Management reviews of all requests for changes and their rulings, which are final. Exhibitors must return to the Show Office to determine if their change request has been granted and must sign the request form indicating they know the action taken relative to their request.
- iii. ## GR 32 PATRONSHIPS

National shows have patron programs with various benefits, including preferred stalling, class sponsorship, seating, and patron lounge benefits.

Patron seniority is based on the number of consecutive years a barn/trainer/individual has been Nationals Patron for that show. Stalling assignments will be done based on Patron's seniority. Any year a Patronship is missed will result in the Patron losing their seniority. To maintain seniority, Patrons must be current every year. The National Show Commission reserves the right to review special case requests regarding seniority, and their decision will be final. Each special case will be evaluated on its own facts and circumstances.

See each National Show's Patron sponsorship, available on the AHA website, for specific benefits, cost information, and deadlines. **Patronship fees are listed on the Patron form for each show. They should be mailed separately from the Official Entry Form and must be paid in full by the close of entries to ensure priority stalling.**

Any requests to change the status of a Patronship, including cancellations, MUST be emailed to [NationalEvents@ArabianHorses.org](mailto:NationalEvents@ArabianHorses.org).

All patrons who elect to use a golf cart will be held responsible for their cart. Should their cart be damaged or stolen, the patron must replace or repair it directly through the chosen golf cart vendor.

The submission of a signed Patron form constitutes an agreement by the signing party for a payment for Patronship after the entry closing date. Any canceled patronship is refundable by 50% if paid in full. If only a minimum payment was made and patronship is not paid in full by the date stated on the form, no money will be refunded. Before the entry closing date, patron fees may be refunded minus the non-refundable deposit. After the entry closing date, patronships may still be available. Please get in touch with AHA National Events Sales for more information.

## PATRONSHIP STABLING/RULES

**All patrons are subject to the current stabling rules.**

Every effort will be made to stable non-patron groups together that have accurately filled out their stabling request form.

1. Patron Stalling is assigned prior to any non-Patrons.
  - a. Priority for Patron stalling assignments will be based on the number of continuous years as a Patron, the prior year's stalling location, and the number of stalls needed.
  - b. If a Patron wishes to move to another Patron barn, they will be placed on a waiting list for that barn.
  - c. All patrons must abide by all current stabling rules.
2. The entry form (or electronic entry) must be signed by the trainer listed on the Patronship in order for the exhibitor to be stabled with said Patron. A stabling form for each National Show will be used that lists horse, owner and trainer. The form should include a statement to refer to Patrons stabling rules for priority stabling procedures in the omnibus.
3. The transferring of a Patronship to a non-immediate family member will not be allowed.
  - a. A Patron who has maintained a Patronship seniority that is retiring may elect to pass their patronship on to an immediate family member.
  - b. The family member receiving the seniority will be required to maintain the Patronship payments annually. Additionally, in order to keep the original stabling area, the family member may not exceed the number of stalls required by the original Patron.
  - c. To confirm the transfer of a patronship, an email shall be sent to the show commission for approval.
  - d. If a farm associated with a Patronship is being retired, the trainer has the right to continue the Patronship and maintain the seniority provided Patronship payments have been maintained annually.

## GENERAL RULES FOR ALL NATIONAL SHOWS

All Entry Forms Available @ [www.arabianhorses.org/nationalevents](http://www.arabianhorses.org/nationalevents)

4. Patronships are considered as one (1) Farm or one (1) Person.
  - a. An individual may hold an additional Patronship within a Patron's Barn, but those additional Patronships do not affect the "primary" Patron's Barn priority.
5. Patronships are considered as one (1) Farm or one (1) person.
  - a. An individual may hold an additional Patronship within a Patron's Barn, but those additional Patronships have no effect on the "primary" Patron's Barn priority.
  - b. That other individual's Patronship likewise does not affect another Patron's Barn they may move to; their Patron priority is with themselves.
  - c. Only the named Farm/Person on the Patronship is allowed to hang drapes or signage that identify only that Patron's name.
6. 80% of the stalls must be in the Patron Trainer's/Amateur's/ Farm's barn (for 49 stalls and under). For those with 50 stalls or over, 90% of the stalls must be in the Patron Trainer's/Amateur's/Farm's barn, for example if the Patron on record has 30 stalls on their stabling report 24 of those stalls must be in the Patron Trainer's/Amateur's/Farm's barn and only 6 stalls may be in another Trainer's/Amateur's/barn's Barn.
7. If that 80%/90% is violated, for example, if the Patron on record has 30 stalls on their stabling report and only 20 of those stalls are in the Patron Trainer's/Amateur's/Farm's barn and the other 10 are in another Trainer's/Amateur's/Farms barn, then only 4 of those stalls will be allowed to be stabled with the Patron on record. The other 6 stalls will be stalled wherever the Barn Manager can fit them.
8. Barns with over 100 stalls may not be stalled together. Every attempt will be made to keep stalls as close in proximity as feasibly possible.
9. For Patrons that exceed their average number of stalls (over the last 5 years), the overflow may be in another location.
10. If necessary, a Show Commission and/or a Barn Manager can limit the number of tack stalls.

Media credentials may be issued to credentialed journalists, photographers and videographers from recognized non-equine industry magazines, newspapers, and publications. Those issued media credentials must sign an agreement stating no photographs or videos taken will be sold. Credentials will only be issued to media for the purpose of news gathering and dissemination only.

Equine Industry press passes will be issued to photographers for the price stated in the media policy. However, these press passes will allow photographers to shoot on grounds, not in any show arenas. Press passes can be purchased in the commercial exhibitor office. Violation of the policy will result in removal from the showgrounds. Commercial photographers violating this policy will also be charged a \$1,000 fee. This policy extends to violations found post-show through websites, social media, and other outlets.

### ENTERING FOR HORSES & RIDERS NOT QUALIFIED BY THE CLOSING DATE:

1. Horses and riders that enter by the closing date but are not qualified for a class(es) as of the closing date but intend to qualify for the class(es) before the start of the National Show they are entering **PLEASE** enter and pay the fees. This helps determine earlier than the final close if a class must be split. Nonqualified class fee will be refunded.
2. *Qualifications for classes not qualified for by the closing date can be earned up to the start of the show. When results from a qualifying show have not been received and/or recorded with AHA as of the beginning of the show, a verification of qualification form signed by the show secretary will be required before a nonqualified class will be qualified.*

Elite, Choice and Select riders must meet the definition.

Refer to each show and GR 3 for rules regarding eligibility for Arabian Breeders Sweepstakes restricted classes (ABS).

### GR 38 SCHEDULE & RING CONFLICTS

See also GR 9 Class conflicts and Gate Holds

When entering, please be aware of entering classes that might run in different rings at the same time. Every effort will be made to solve these conflicts; however, rings will not be held for extensive periods to solve conflicts. Entry fees will be forfeited in case of time conflicts caused by two rings running simultaneously that can't be resolved.

It is the policy of the Nationals Show Commissions not to make schedule changes within 24 hours of a class unless there are extenuating circumstances. Sections may be added or canceled if entries warrant.

The schedules printed in this prize list are TENTATIVE and based on entry projections for each class and

the number of sections required. Any change in the number of entries may affect that class's corresponding number of sections. The Show Commissions will review class entry numbers and sections after the entry deadline and revise the schedule if necessary.

**Please note:** No classes will be moved to an earlier day in the schedule.

#### Exceptions:

1. Dressage classes may move to a different day, depending on entry numbers.
2. Herd classes may not run in the order listed. Once entries are received, the order of classes may change so herd changes can be set.
3. Classes scheduled with only a SF/F that must be divided into sections due to the number of entries will have the sections run in place of the SF/F, which will be later in the schedule.
4. If Sections listed in the tentative schedule are canceled, the SF/F may be moved to run where the sections were scheduled for that class.
5. Sport Horse in Hand classes at Sport Horse Nationals may not run in the order listed for that day/session. Once entries are received, the order of classes may change depending on class counts.

Upon arrival, please check the AHA App, the Website, or the Show Office for schedule changes and posted sections.

Please be prepared as no entry fees or other fees will be refunded due to schedule changes. Schedule conflicts between rings are the responsibility of the exhibitor.

Updates to the schedules for all the Nationals shows will be posted on each show's home page and the AHA App. Please refer to the most current schedule before entering the horse show.

### GR 39 SCORING SYSTEM

Scoring Systems are outlined in the AHA handbook under COMP 5 and REQ 2.

All National Championship Shows are required to

# 2025 AHA NATIONALS

use the AHA-approved Majority Opinion System (MOS) (Res. 45-00, Res. 31-07) Scoring System in all applicable classes.

Working Hunter, Hunter Hack, Jumper, Hunter Seat Equitation Over Obstacles, Hunter Seat Equitation Not to Jump, Dressage, Dressage Seat Equitation, Reining Horse, Reining Seat Equitation, Cutting, Reined Cow, Working Cow, Trail, and Sport Horse classes are exempt from using the Majority Opinion System.

Performance Halter will use the AHA scorecard. The scorecards will be turned into placings and, in turn, run through the Majority Opinion System (MOS) to determine the Champion, Reserve Champion, and Top Five.

Refer to each show for exceptions to the above for the AEPA, AWWA, AHPA, and AWWA associations program classes.

Breeding Pays Futurity (not an AHA program) will use the Scottsdale 5-judge system for the semi-finals and the Majority Opinion System (MOS) for the Finals.

A black and white illustration of a cowboy riding a bucking horse. The horse is in a dynamic, rearing position, with its front legs tucked up and its hind legs kicking out. The cowboy is leaning back, holding onto the horse's mane and tail. The illustration is done in a classic, stylized manner with bold lines and cross-hatching for shading.

### PHASE 1. RAIL WORK

(80% OF JUDGING OR SCORE)

Horses will be shown at the walk, jog, and lope in both directions of the ring. Judging criteria will be in this order: quality, performance, suitability, and manners. After the rail work is completed, exhibitors will be asked to line up head to tail, split evenly by numbers on either long side of the arena.

### PHASE 2. THE STAND UP

(20% OF JUDGING OR SCORE)

Once all horses are in line, two attendants per horse will be allowed into the arena to assist with removing saddles and pads. They are allowed to bring a saddle rack, towel, and brush. They are not allowed to show the horse during judging.

Riders are to stand up their horse to be assessed for conformation suitable for a western pleasure horse by the judges. The horses shall stand relaxed with weight evenly dispersed on all four feet (not stretched). Whips may not be used. Once the judging panel has completed their examination of your horse, it should then be resaddled. After all horses have been re-tacked, riders will be asked to remount, and attendants will be excused from the ring.

### PHASE 3. PLACING & AWARDS

Exhibitors will be retired to the paddock after the judges turn in their cards. The Top Ten will then be called back into the ring in numerical order. The Reserve Champion and then the Champion will be placed and given their awards. The horses

will leave the arena in reverse order of their placings (tenth place first and Champion last). As they exit, the prize money won by each will be announced.

The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
