

# DNA FAQ'S

**Q.** What classes will require DNA testing?

**A.** All Half-Arabian and Anglo-Arabians with a purebred Arabian parent that will be participating in the US National Halter Futurity and Performance Futurity/Maturity/Derby Programs; AEPA, AWPA and AHPA classes at Sport Horse and U.S. Nationals

**Q.** How do I get my horse DNA tested?

**A.** You can call Registry Services at 303-696-4500, option 2 or send an email to [info@arabianhorses.org](mailto:info@arabianhorses.org) to order a DNA kit.

**Q.** Do Canadian registered Half-Arabians need to be DNA tested?

**A.** Yes. DNA testing can be done through AHA or CAHR. To DNA test CPAR horses through AHA, please contact Registry Services at 303-696-4500, option 2 or send an email to [info@arabianhorses.org](mailto:info@arabianhorses.org) to order a DNA kit.

**Q.** How long does DNA testing take?

**A.** It takes approximately two weeks for an owner to receive a DNA kit in the mail once requested. Once the DNA reaches the lab, the approximate time before return of results is 10 days. A DNA kit can also be requested to be emailed, which will help expedite the receipt of the kit.

**Q.** How much does DNA testing cost?

**A.** \$65 in US funds for members, assuming the Purebred Arabian Parent has been DNA tested.

**Q.** Do Anglo-Arabians need to be DNA tested?

**A.** Yes, if one of the parents is a purebred Arabian.

**Q.** When does the DNA testing have to be completed by?

**A.** DNA testing and the parentage qualification must be on file prior to the start of that National Show. If it is not on file at that time, the horse is ineligible to be shown and all nomination fees will be forfeited.
