**ETHICS 101. PREAMBLE: What We Believe**

1. That the noble Arabian Horse, most ancient of all breeds, a creature of beauty and an athlete of renown, has earned and deserves the company of true sportsmen;
2. That owners, breeders, trainers, riders, drivers, handlers, and friends of the Arabian Horse have much to gain by observing the best tenets of good sportsmanship in all things pertaining to the Arabian Horse;
3. That, in addition to the basic rule of "Doing unto others as you would have them do unto you," it is desirable to:
  - a. define ethical practices,
  - b. delineate unethical practices,
  - c. encourage good sportsmanship and high ethical behavior,
  - d. warn, censure, or bring to public attention, and
  - e. discipline those who commit acts detrimental to the best interests of the proud breed and to its good friends.
4. That it is the right and obligation of the Arabian Horse Association to set standards in matters of ethics and sportsmanship concerning the Arabian Horse.
5. That the Rules and Regulations of the Arabian Horse Association (AHA), the Canadian Arabian Horse Registry (CAHR), the Canadian Partbred Registry (CPAR), the U. S. Equestrian Federation (USEF), Equestrian Canada (EC) and any other governing body referenced in the AHA Handbook shall, in all respects, be supported in our efforts to strengthen ethical and good sportsmanship concepts in the breeding, owning, handling, showing, and using of the Arabian Horse.

**ETHICS 102. APPLICATION AND STRUCTURE OF THE CODE**

1. All members of the Arabian Horse Association agree to and shall be bound by this Code of Ethics and Sportsmanship during their membership in the Association.
2. Any person acting in the capacity of agent or employee of a member of AHA is bound by this Code of Ethics and Sportsmanship as it relates to Arabian Horse activities. A member of AHA who is a principal or employer of any agent or employee is responsible for the agent's or employee's conduct.
3. Any owner, trainer, handler, or exhibitor who is not a member of AHA but who competes in an AHA Recognized Horse Show or other equine event by paying the single event membership fee is bound by this Code of Ethics and Sportsmanship during that show or event.
4. Any person who is acting as an agent of or is under contract with AHA to perform a job for AHA is bound by this Code of Ethics and Sportsmanship.
5. This Code consists of two parts: Ethical Considerations and the Rules of Conduct.

**ETHICS 103. ETHICAL CONSIDERATIONS**

The Ethical Considerations are aspirational in character and represent objectives toward which every person bound by the Code should strive. The Ethical

Considerations are not enforceable but may be considered as interpretive guides in applying the Rules of Conduct.

1. In every situation, the welfare of the breed shall be paramount over all considerations. The best interests of the Arabian Horse must be the criterion in all transactions.
2. Members and their employees or agents shall at all times treat the proud breed of Arabian Horse with the kindness, respect, and affection, which the horse's long history deserves.
3. Exhibitors, riders, drivers, handlers, and trainers shall support the judges and the judging system. If there is cause for a legitimate protest, exhibitors shall follow the protest procedure set forth in the rule book of the event's governing body or the Rules and Procedures of the Ethical Practice Review Board of the Arabian Horse Association.
4. Judges and stewards are responsible for a thorough knowledge, understanding, and proper application of the general rules of AHA, USEF, EC, or other governing body, as well as the specifications for each class/event that is to be judged.
5. Members and their employees or agents should be fair and honest in all transactions involving horses and should not make any false or misleading statements concerning horses offered for sale or breeding.
6. Widespread publicity will be given to this Code of Ethics and Sportsmanship by way of the AHA Handbook, publications, conventions, through Member Organizations and other means of communication, advising, and impressing upon all whose good fortune it is to be engaged in Arabian Horse activities that the very highest standards of ethics and sportsmanship are expected of them.

**ETHICS 104. RULES OF CONDUCT**

The Rules of Conduct are mandatory in character and are enforceable.

1. No person shall attempt to influence the actions of the Probable Cause Panel, the Ethical Practice Review Board, or the AHA Board of Directors; or any member of the Probable Cause Panel, Ethical Practice Review Board, or AHA Board of Directors by duress or intimidation of any sort.
2. No person shall communicate or cause or initiate any communication with any member of the Probable Cause Panel, or any member of the Ethical Practice Review Board concerning the substance of a complaint until after the hearing and a decision is rendered. No person shall attempt to influence a member of the Probable Cause Panel or a member of the Ethical Practice Review Board with respect to any complaint except through oral or written presentations presented to the entire group in accordance with the Rules and Procedures for the Ethical Practice Review Board. (Res. 38-94)
3. Unless prior written approval has been obtained from AHA, no person or organization shall schedule an Arabian Horse Event which occurs during the same dates as AHA National Championship Shows (**Youth/Mid-Summer, Sport Horse and U.S.**), and the AHA Annual Conventions (Adult and Youth) within a 250-mile radius of those events.
4. The word "International" and "Arabian Horse Association" shall not be used in connection with shows, sales, or other Arabian Horse activities that are not officially Recognized and/or sponsored by the AHA.
5. No person, company, or other entity shall use AHA logos and/or symbols without receiving prior written permission from the Board of Directors or its designee.

  - c. Any use of AHA logos or symbols which implies approval, sanction, or sponsorship by AHA without written permission is prohibited.
6. Mistreatment and neglect of any Arabian, Half-Arabian, or Anglo-Arabian Horse is prohibited.

- a. Mistreatment includes every act or omission which causes, or unreasonably permits the continuation of, unnecessary or unjustifiable pain or suffering.
  - b. Neglect includes failure to provide food, water, protection from the elements, opportunity for exercise, or other care, which is normal, usual, or proper for a horse's health and well-being.
7. Members **must** not offer a horse capable of reproduction for breeding, transfer of ownership, or lease if the horse is known to such member to be a Severe Combined Immunodeficiency Disease (SCID) carrier, a Lavender Foal Syndrome (LFS) carrier, a cerebellar abiotrophy (CA) carrier, an Occipitoatlantoaxial malformation (OAAM) carrier or to be affected by CA or OAAM or be a homozygous or heterozygous affected by Hyperkalemic periodic paralysis (HYPP) without disclosure of that horse's SCID, LFS, CA, OAAM or HYPP status to all parties to the transaction. (Res. 3-09, Res. 4-09, Res. 4-10, Res. 1-17)
8. An owner of any mare that produces affected SCID, LFS, CA, OAAM or HYPP offspring must immediately notify the stallion owner of a foal's positive SCID, LFS, CA, OAAM or HYPP diagnosis and cooperate fully with the stallion owner's reasonable efforts to verify that finding. (Res. 3-09, Res. 4-09, Res. 4-10, Res. 1-17)
9. Members, their employees, and their agents must not perform surgical procedures, or aid, instruct, or conspire with another to perform surgical procedures, or employ another to perform surgical procedures which conceal genetic defects or undesirable traits, unless such surgery is needed for medical therapeutic reasons as attested to in writing by a qualified veterinarian, in an animal to be shown, used for breeding, or sold as a breeding animal.
10. The rules of the Arabian Horse Association (AHA), the Canadian Arabian Horse Registry (CAHR), the Canadian Partbred Registry (CPAR), the U. S. Equestrian Federation (USEF), and Equestrian Canada (EC) are hereby adopted by reference as a part of this Code of Ethics and Sportsmanship.
11. An exhibitor's intentional conduct at an equine event must not adversely affect the exhibition or ride of any other horse at the event.
12. Non-winners of ribbons in any class must remain in the ring until excused or until the ribbons have been awarded and the winners have left the ring.
13. The individual member(s) acting on behalf of a Member Organization who directly contact or employ a judge must not show or have their horses shown before that judge in that show for which the judge was employed.
14. No one shall attempt to influence judges by telephoning, writing, sending pictures, emailing, or by any other means before or during events that the judge has been employed to adjudicate.
15. Judges and stewards must exhibit the highest standard of integrity at all times, and decisions must not be made based upon improper influence.

18. Judges must report to the steward or event management any improper approaches or contact by persons at an event.

20. No person shall communicate or cause or initiate any communication in regard to information obtained from the AHA Judges and Stewards Commissioner's office in violation of any confidentiality Agreement which they have executed. (Res. 24-00)
21. It is unethical to transfer or assist or facilitate in the transfer of a horse with the intent to circumvent the purpose of the rules regarding ownership of horses shown in amateur and/or junior owner classes. It is unethical for any AHA member to not provide information relating to the transfer in question that is requested by the Probable Cause Panel or the Ethical Practice Review Board. (Res. 3-12)
- In determining whether the transfer was unethical, the EPRB may consider among others, the following: (Res. 3-12)

- a. Horse ending up back in the previous owner's name within a year of the original transfer.
  - b. Horse being transferred at less than fair market value (owner to provide proof of the sales amount).
  - c. The fact that prize money went to a person other than the owner or family member.
  - d. The fact that the owner or family member did not pay the expenses relating to the upkeep and showing of the horse.
22. In the furtherance of their official duties, all Association representatives, including staff, licensed officials and volunteers must be treated with courtesy and respect and no person shall direct abusive or threatening conduct toward them. (Res. 17-18)

#### **ETHICS 105. ALLEGED INFRACTIONS**

1. Alleged Infractions of the Arabian Horse Association Code of Ethics and Sportsmanship, as adopted or amended, may be brought to the attention of the Probable Cause Panel and the Ethical Practice Review Board by filing a complaint in compliance with the Rules and Procedures for the Ethical Practice Review Board.
2. The Ethical Practice Review Board and the Probable Cause Panel shall be continued and shall be constituted and empowered as follows:

#### **ETHICS 106. PROBABLE CAUSE PANEL (See also CBP 111.31)**

1. The Probable Cause Panel (PCP) shall consist of three members, all of whom must be members of Member Organizations affiliated with AHA for the duration of their terms of office. One member of the PCP must be an attorney. No member of the PCP may simultaneously serve on the Ethical Practice Review Board. The AHA Executive Committee members may not serve on the Probable Cause Panel and the Executive Committee at the same time. (Res. 7-01)
2. As each term expires, the members of the PCP shall be elected by Convention Delegates to serve three-year rotating terms with one term expiring each year. (Res. 37-94)
3. Members of the PCP are eligible for nomination and election to an unlimited number of terms.
4. Should a vacancy on the PCP occur before the expiration of a term, the vacancy will be filled by appointment by the President of AHA and ratified by the AHA Board of Directors for the uncompleted term left vacant.
5. The members of the PCP shall elect one of their members to serve as Chair and one of their members to serve as Vice-Chair. The Chair shall preside at all meetings of the PCP. In the event the Chair is unable to chair a meeting, the Vice-Chair will preside.
6. A quorum consisting of at least two members of the PCP shall be required to convene a meeting. If a quorum cannot be convened because of conflicts of interest with any of the parties to the complaint being reviewed, the President of AHA shall appoint two temporary replacement members for the Panel to review the complaint. Meetings of the PCP can be held via conference call. All decisions must be made by a majority vote of the PCP.
7. The function of the PCP shall be to review all ethical complaints properly filed with AHA and to make a determination whether or not there are reasonable grounds to believe an infraction of the AHA Code of Ethics and Sportsmanship exists and whether the alleged infraction, if proved, is of sufficient importance to AHA that it should go before the Ethical Practice Review Board for hearing. A copy of all complaints filed will be immediately provided to the Chair of the Ethical Practice Review Board. (Res. 37-94)

#### **ETHICS 107. ETHICAL PRACTICE REVIEW BOARD (See also CBP 111.20)**

1. The Ethical Practice Review Board (EPRB) shall consist of nine members, all of whom must be members of Member Organizations with AHA for the duration of their terms of office. One member of the EPRB must hold the highest level of Arabian Judges Card per country (USEF/EC). One member of the EPRB must be an attorney. The AHA Executive Committee members may not serve on the Ethical Practice Review Board and the Executive Committee at the same time. (Res. 7-01)

2. The nine members of the EPRB shall be elected by the Delegates to the AHA Annual Convention to serve three-year rotating terms with three terms expiring each year. Nominations for the EPRB must be made by a member of the AHA Board of Directors.
  3. Members of the EPRB are eligible for nomination and election to an unlimited number of terms.
  4. Should a vacancy on the EPRB occur between Annual Conventions, the vacancy will be filled by the person who received the next highest number of votes in the election held at the last Annual Convention. If there were no other person(s) on the ballot receiving votes at the last Annual Convention, the position will remain vacant until the next Annual Convention where an election can be held to fill the vacancy.
  5. At the Annual Convention after the election results are known or as soon thereafter as is possible, the members of the EPRB shall elect one of their members to serve as Chair and one of their members to serve as Vice-Chair. The Chair shall preside over all meetings of the EPRB. In the event the Chair is unable to chair a meeting or a hearing, the Vice-Chair will preside. In the event the Chair or the Vice-Chair is unable to chair a meeting or a hearing, those members present will select a Temporary Chair to preside at that meeting or hearing.
  6. A quorum consisting of at least five members of the EPRB must be required to hear any matter. In the event that a quorum of the EPRB is not available to hear the matter because of conflicts of interest or other reasons, the AHA Board of Directors must make sufficient temporary appointments so that a quorum is available. All decisions must be made by an affirmative vote of two-thirds of the members voting, except that decisions as to procedural matters must be made by the Chair.
  7. The function of the EPRB shall be to interpret and enforce the AHA Code of Ethics and Sportsmanship in cases brought before it for hearing. Its deliberations must include, but are not limited to, consideration of whether an offense was intentional and whether it continued after either formal or informal warning.
  8. In deciding upon a remedy for unethical conduct, it shall be the general policy of the EPRB to be constructive with those who have committed unethical or unsportsmanlike-like acts, and to use its powers to prevent recurrence of the event. Probationary periods may be applied to effect discipline. Nothing in the foregoing, however, shall be construed to prohibit the strongest sanctions available against those persons found guilty of committing unethical acts or unsportsmanlike-like conduct.
2. Rule infractions at horse shows or other equine events where formal protest procedures are available as a means of filing charges of misconduct but have not been used.
  3. Disputes which have been submitted to a court of law or arbitration in which a court or arbitrator has made a final non-appealable determination of facts in such a way that no violation would have occurred.
  4. Alleged violations which occurred more than 12 months before the charges were filed.
  - d. A determination of whether exceptional circumstances exist shall be made by the PCP and shall be based on whether the charges raise substantial issues relating to the care and welfare of Arabian, Half-Arabian, or Anglo-Arabian Horses or substantially affect the AHA and its operations and events.
  - e. In the event charges are filed involving a matter which is or becomes the subject of litigation or arbitration, the PCP and the EPRB must stay all proceedings in that matter pending the final outcome of the litigation or arbitration. For the purposes of any proceeding under these rules, the PCP and the EPRB must accept any final factual determinations made by a court of law or arbitrator. In all cases stayed pursuant to this provision, the complainant must notify AHA in writing as to the status of the litigation by **December 31** of each year. Failure to do so will result in automatic dismissal of the EPRB complaint. (Res. 24-06)
  - f. In the event charges are filed involving a matter in which a formal protest has also been filed with another show/event governing body, the PCP and the EPRB must stay all proceedings in the matter pending the final outcome of the protest procedure. For purposes of any proceeding under these rules, the PCP and the EPRB must accept any final factual determinations made by the protest-hearing body.

- a. Complaints shall be brought by completing and submitting the EPRB Complaint Form specified by AHA, together with payment of the \$200 filing fee, to the main office of AHA, addressed to the EPRB. The filing fee is non-refundable.
- b. Complaints can be filed by individuals, whether members of AHA or not. Complaints can also be filed by boards, commissions, committees, staff, or volunteers of AHA. (Res. 17-18)

Payment of the filing fee will also be waived for complaints filed by boards, commissions, committees, staff, or volunteers of AHA. (Res. 17-18) The filing fee shall be waived or reimbursed in cases where AHA has been given proof that the accused has been convicted of abuse, neglect, and/or mistreatment-related offenses involving horses. (Res. 43-91) (Res. 40-94) The EPRB filing fee shall also be waived if an AHA member(s) either admits in writing to or is convicted in criminal/civil court of misappropriation of funds from either AHA Regionals, events or Member Organizations. - d. If a complaint is filed by a board, commission, or committee, an individual must be named who will represent the board, commission, or committee in the EPRB complaint proceedings.
